Tax time is here and end of the year Tax Statements will be sent home by end of the month. I will also include our Vacation and Holiday's for 2017.

Reminders

- Please keep my files up to date with your child's immunization record and any other information (new numbers, address etc.) It is very important!
- As it gets colder and snow/ice starts please be careful in driveway/street getting in/out as we try our hardest to keep snow plowed and cleared but there still can be slick spots anywhere that can't be prevented. Please assist your children.
- If your child is ill PLEASE keep them home until symptom and fever free for at least 24 hours without help of Tylenol/Motrin. This is very important to all my families and children in my care as well as my own family. If your child becomes ill while at daycare I will notify you to have child picked up.
